"We need the economy to grow because the slow growth is a cause for concern. We are not in good condition, and we need to address this," he said in a press conference after the Budget 2020 was tabled in Parliament. In his speech, Dr Mahathir also said he understands that the economy is under pressure due to the COVID-19 pandemic. "We need everyone to join forces and we do not have time for division. This coronavirus did not come and suddenly hit us," he said. He advised the government to focus on reforming public administration while allowing businesses to grow. "The private sector

---

and industry should grow and at the same time, the public sector needs to reform. If we do not take care of the public sector, we will not be able to recover," he said. Dr Mahathir was flanked
