Thousands of people were evacuated as fire, fell from a building.Albanians who live near the border with Kosovo were invited to attack Macedonian police as they tried to prevent entry to the country. When Macedonian police tried to stop illegal immigrants from entering the country, the Albanian refugees attacked the police with knives and other weapons. In the course of the attack Albanians threw large rocks at the Macedonian police officers and attacked them with knives. The Albanians are fleeing their country because of a war between the Albanian government and Kosovo. Albania has been struggling with the Albanian nationalism since the end of World War II. This war is not limited to Kosovo and Macedonia; the Albanian government wants to get rid of the Albanian ethnicity in the countries that belong to the former Yugoslavia. Albanians are part of the Islamic community. They are heavily influenced by the culture of the Islamic world and have a clear Islamic orientation. This is evident from the fact that many Albanians fight for the Islamic state in the Islamic world. More specifically, the majority of Albanian immigrants to Europe are Muslim. It seems that they come to Europe to settle and to build an Islamic society in Europe. It is likely that they seek to build an Islamic society in Europe because it seems that the Islamic world is a great power and that Europe is weak in its military power. In the Western world there are only few Islamic parties. The Flemish party Vlaams Belang and the Norwegian Progress Party, are the only parties in the western world that are based on Islam. In the western world the Islam is not very popular, not even in the countries where they live. Therefore, it is clear why Albanians are em d0c515b9f4
