The serial number.Many of us love being visitors to tech companies, especially the kind that invite us to watch the launch of their new products and gawk at the massive influx of food. I've never been to a launch, but I did once crawl on the floor at the human resources department of one of Silicon Valley's tech giants, begging for an upgrade to a new product. I never heard back. But now, thanks to a group of entrepreneurs and designers in San Francisco, the tables have turned. It is the community of Silicon Valley that now wants to come on tour. They are planning what they are calling "Silicon Valley, Inside and Out," a series of pop-up shops that you will be able to visit and ask whatever questions you like.
